

Fundraiser/Charitable Opportunity

The Eastern Star Home Board of Governors owns several lots in Forest Lawn Cemetery in Richmond and would like to offer our chapters an opportunity to sell the lots for fundraisers or to use them for charitable purposes. Prices are negotiable and will enable the chapters to offer them for sale at a very affordable price and to make good profits on the sales. Also, if there are members of our chapter families who have a need for lots and cannot afford them, the chapters may act as an agent in providing for their need.

The Board invites the chapters to present their own creative ideas for their fundraiser/charitable projects for consideration. For further information or to present project ideas, please contact:

E. Rex Gay, President

Eastern Star Home of Virginia Board of Governors
